Please note the technical data of the products!

Article Numbers: 36015, 36014, 36013

Safety Instructions:

- Observe maximum shelf load of 500 kg, only with evenly distributed load to avoid structural damage.
- Sharp edges and pointed parts can pose a risk of injury; take care when handling.
- Suitable for indoor and outdoor use, but protect from extreme weather conditions to prevent damage.
- Keep out of reach of children to avoid injury; not designed for use by children.
- Use on flat surfaces to avoid wobbling or tipping over.
- There is a risk of collapse or injury if used incorrectly.
- Do not load the product beyond its maximum load capacity.
