E-Mail: info@durable.de

Please note the technical data of the products!

Article Numbers: 164269, 164268

Safety Instructions:

- Not suitable for children under 3 years of age as it contains small parts.
- When using on metallic surfaces, make sure that the adhesive force of the magnetic frame is not inadvertently released.
- Take care when using in the vicinity of electrical devices to avoid interference. There is a risk that the frames may interfere with other electronic devices due to their magnetic backing.
- The product is not suitable for use in protected areas or under extreme conditions.
- Only suitable for users aged 14 and over. Small parts can be dangerous for small children.
- The anti-reflective hard film can break. Handle with care.
- Not suitable for use in humid environments in order to maintain the adhesive force of the magnet and the integrity of the frame.
