Article Numbers: 134510, 134509, 134506, 134505

Safety Instructions:

- The folding bench must be set up on a stable and level surface to prevent it from tipping over.
- Check the assembled delivery to ensure that all parts are correctly installed and that there are no loose components.
- Avoid use in extreme weather conditions (e.g. storms, strong winds).
- Do not use the bench as a ladder or to stand on.
- Keep children and pets away from the folding bench when it is in use, and especially away from sharp edges during assembly and use.
- Regularly check the stability of the structure and tighten any loose screws if necessary.
- Observe the maximum load; do not overload the folding bench.
- When used in damp rooms, the bench should not be in direct contact with water.
- In slippery conditions, the bench may slip; use anti-slip mats if necessary.
- Choking hazard due to small parts during assembly or use; not suitable for children under 3 years, supervision required.
- Edges and surfaces should be checked regularly for wear or damage to avoid injury.
