Article Numbers: 134502, 134501, 134500, 134493, 134492, 134491

Safety Instructions:

- The product should not be used near hot surfaces to avoid burns.
- Correct installation in accordance with the instructions is required to minimise the risk of falling and injury. Ensure correct attachment to walls to prevent tipping over.
- Use by children should be supervised to minimise risks. Use by children under the age of 12 only under adult supervision.
- Product may have sharp edges; care should be taken when handling.
- For indoor and covered outdoor use only; suitable for damp rooms with regular maintenance to prevent corrosion. Risk of corrosion in case of non-compliance.
- Do not use for climbing or as play equipment; risk of falling.
- Avoid placement in very damp areas without appropriate protective measures.
- Regular inspection for possible damage or wear is required.
- Observe the recommended weight limit to avoid injury.
- Suitable tools are required for assembly; follow the instructions. Follow the manufacturer's instructions carefully during assembly for safety reasons.
- Check the assembly regularly to ensure that all parts are firmly tightened.
- Ensure that the bench is mounted on a level surface to prevent it from tipping over.
- Ensure that all fastening elements are firmly tightened during assembly.
- Stable construction required; improper installation can lead to instability.
- Pay attention to slippery surfaces to avoid falls.
- Keep a safe distance from sharp or pointed objects.
- Pay attention to the load-bearing capacity of the substrate in the installation instructions.
