Article Numbers: 135220, 135219, 135218, 135217, 135216, 135215, 134519, 134518, 134517

Safety Instructions:

- Set up the product securely and stably to prevent it from tipping over.
- Protect from sharp edges and corners.
- Caution: heavy objects could be injured if they are dropped.
- Not intended for outdoor use, avoid contact with water and weather.
- Not suitable for children under 3 years due to small parts and choking hazard.
- Check for damage to the material before use.
- Avoid standing on the product if it is not properly assembled.
- Prevent children from climbing on the bench without supervision or using it as a toy.
- Regularly check the components and surface for damage or wear to ensure safety.
- Ensure that the bench is not overloaded and is only used by a maximum of the specified number of people at the same time.
- If soiled with water or other liquids, dry off immediately to avoid the risk of slipping.
- Avoid use on uneven or unsafe surfaces to prevent injuries from falling.
- Keep electrical appliances safely away from the bench to avoid the risk of electric shock.
- The bench should only be placed on level surfaces.
- Do not load beyond the permissible weight capacity.
- Store the bench in a dry area to avoid deformation due to moisture.
- Permanent wetness or extreme weather conditions can impair the stability of the bench.
- Care for the products carefully to prolong their service life.
