Safety Instructions:

- Make sure that the coat stand is placed on a stable, level surface to prevent it from tipping over.
- Only use the coat rack for its intended purpose and do not overload it to avoid injury and damage.
- Keep the coat rack away from direct sunlight, heat sources and moisture to prevent corrosion or damage.
- Tighten all connections and screws regularly to ensure the stability of the product.
- The coat rack should be used by children under adult supervision to minimise the risk of injury.
- If the product is damaged (e.g. rust, breakages), stop using it and replace it immediately.
