Safety Instructions:

- The load capacity of the order picking trolley must not exceed 250 kg to ensure safety.
- Before loading and unloading the trolley, ensure that the swivel castors with brakes are locked.
- To avoid falls, the push handle should not be exceeded and the heights of the loading areas should not be disregarded.
- Wear suitable footwear to prevent slipping during transport.
- Work carefully with higher objects, do not jeopardise the stability of the trolley.
- The warnings and instructions for use should be carefully observed.
