### Safety Instructions:

- Make sure that children cannot play with the mobile pedestal on their own and keep it out of reach of children to avoid injury.
- Avoid storing heavy objects in the top drawers; store heavy objects in the bottom drawers to prevent the container from tipping over.
- Use the central locking system to secure the mobile pedestal and keep valuables safe.
- Regularly check that the pull-out lock is working properly to prevent accidental tipping and to check the mechanisms of the container.
- Ensure that the mobile pedestal is placed on a stable and level surface to prevent it from falling over and causing injury.
- Avoid placing the roller container near sources of heat and moisture to prevent material deformation and damage.
- It should be used in accordance with the instructions to ensure safe operation.
- Take the maximum load of the drawers into account and avoid overloading to prevent damage.
- Regularly check the entire mechanical system of the container, including the wheels, for functionality and damage.
- The product is not suitable for children under 12 years of age and should be supervised when used by children.
