Safety Instructions:

- Not suitable for children under 3 years of age due to choking hazard from small parts. Keep away from children to avoid choking hazard.
- Do not expose to excessive conditions such as fire, water or chemicals. If used outdoors, ensure that the tape is not damaged by moisture.
- Ensure that the product is not damaged during use to avoid liability.
- Only use the adhesive tape on clean, dry and stable surfaces.
- Not recommended for use on food packaging as no safety testing has been carried out for this application. Avoid direct contact with food as it is not a food product.
- Do not apply the tape to the skin or near open wounds.
- Keep the product out of the reach of children.
- When using, please ensure that the adhesive does not come into contact with the eyes.
- Do not use the packaging as a toy.
- Please ensure that the product is not exposed to excessive heat or moisture.
- The use of adhesive tape on sensitive surfaces can damage them. Check for safety before use.
- Please follow the instructions for safe use on the packaging.
