### Safety Instructions:

- The use of adhesive tape can cause allergic reactions. In the event of skin contact with the adhesive tape, clean immediately with soap and water.
- Keep out of the reach of children as the adhesive tape poses a choking hazard. Not suitable for children under 3 years of age due to the risk of choking on small parts. Take care when using the tape around children; supervision recommended.
- Avoid contact with eyes and mucous membranes.
- Store in a dry and cool place to maintain the adhesive strength.
- Check the product thoroughly for damage before use. Avoid using damaged goods to prevent injury.
- Do not use adhesive tape near sources of fire.
- Do not use adhesive tape on sensitive or damaged surfaces. Caution: Excessive use may cause damage to the surface.
- Do not use for direct contact with food as the product was not developed for this purpose.
