### Safety Instructions:

- Caution: Contains small parts that may pose a choking hazard. The product is not suitable for children under 3 years of age.
- Caution with improper use: Risk of electric shock if the appliance is not used properly. Avoid contact with water to prevent electric shocks.
- Only use the recommended batteries. Improper use can lead to damage. Batteries are not included in the scope of delivery.
- Use only by adults or under adult supervision. The product should be kept out of the reach of children.
- Read the operating instructions before commissioning to ensure safe use.
- Keep your fingers away from the stapling zone to avoid injury.
- Please store batteries separately from food and liquids.
- Avoid use near water or damp environments to minimise the risk of electric shock.
- Only use the recommended batteries (4 x Micro) and only replace them when the device is switched off.
- There is a risk of injury if the product is not used properly.
- The use of non-recommended staples can impair the safety and functionality of the device.
- Batteries are not included in the scope of delivery; take care when inserting and removing batteries.
