Safety Instructions:

- Check for safe use: Ensure that the shelf is properly assembled to prevent it from tipping over.
- Note the load capacity: Ensure that the maximum load of 50 kg per shelf is not exceeded.
- Level out uneven floors: Use the levelling screws to keep the shelf stable on uneven floors.
- No excessive weight load: Avoid placing heavy or oversized objects on the shelves.
- Follow the instructions for use and assembly: Always follow the instructions provided for installation and use.
