**E-Mail:** verkauf@krieg-online.de

Please note the technical data of the products!

**Article Numbers:** 51845, 157052, 157051

### Safety Instructions:

- Do not exceed the maximum load capacity of 75 kg to avoid breakages or falls.
- The use of lockable castors enables safe positioning; ensure that the brakes are activated before use to prevent rolling, especially with heavy weights.
- If used incorrectly, the product may tip over; secure it and only use it on level, stable surfaces.
- Insert the push bar correctly and keep it away from sharp objects to avoid injury.
- Ensure assembly and use in accordance with the enclosed instructions.
- Only for specified use, e.g. packing tables described in the manual, in order to minimise safety risks.
- Keep away from fire and extreme heat, as melamine board is not fire-resistant.
- Keep away from children or untrained personnel to avoid accidents.
