Safety Instructions:

- Not suitable for children under 3 years of age as there is a choking hazard due to small parts.
- The labels are permanently adhesive; avoid using them on sensitive and water-sensitive materials to prevent damage and note that they cannot be removed without leaving residue.
- Avoid contact with open flames, hot surfaces and heat sources, as the labels can be affected by heat and may come loose.
- The labels are not suitable for direct contact with food; do not store them near food.
- Keep the labels out of the reach of children to avoid the risk of choking on small parts.
- Protect the labels from moisture, heat and direct sunlight to maintain the adhesive strength.
- In the event of skin contact with adhesive, thoroughly clean the affected area with soap and water.
- Store the labels in a cool, dry place.
- Only use the product with the recommended printers and software and ensure strict application according to the instructions to avoid jamming in the printing device.
- Dispose of safely after use to minimise environmental risks.
