Safety Instructions:

- Not suitable for children under 3 years, as small parts may be included.
- Avoid contact with water so as not to impair the adhesive strength of the labels.
- The labels must be stuck to a firm, clean surface to ensure the best adhesion.
- If used incorrectly, the label may fall off and possibly cause a tripping hazard.
- Do not use near naked flames or heat sources.
- Keep the packaging to preserve important information.
- Unless expressly labelled as reusable, dispose of the labels properly after use.
