Article Numbers: 164576, 164566

Safety Instructions:

- The labels should not be used as toys by children.
- Please do not store or use the labels near food to avoid contamination.
- Store in a cool, dry place to preserve the adhesive properties.
- Not suitable for children under 3 years of age due to small parts that could pose a choking hazard.
- Avoid contact with water to ensure that the adhesive strength of the labels is not impaired.
- Keep the product away from heat sources to avoid damaging the labels due to high temperatures.
