Safety Instructions:

- Not suitable for use by children under 3 years of age due to possible choking hazard from small parts.
- Only use within the intended temperature range of -40°C to +150°C to prevent damage to the product.
- The labels are not intended for use in connection with food.
- Ensure that there are no hazardous chemicals on the labels that could lead to health risks.
- Take care when using laser printers to avoid excessive heat build-up.
- Ensure that the labels are applied to clean and dry surfaces to ensure optimum adhesion.
- If used incorrectly, the adhesive can leave residues that are difficult to remove.
