Please note the technical data of the products!

Article Number: 193496

Safety Instructions:

- The safety ashtray must be securely anchored to prevent it from tipping over in the event of wind or contact.
- Caution: Outdoor use can affect the durability of the material, especially in extreme weather conditions.
- Avoid overfilling the waste bin to prevent waste from overflowing.
- Regular emptying of the waste bin is recommended to avoid unpleasant odours and the attraction of vermin.
- The self-extinguishing fire protection lid should always be properly closed to minimise the risk of fire.
- Ensure that only suitable materials are placed in the ashtray so as not to jeopardise the self-extinguishing function.
