Safety Instructions:

- Keep the toner cartridges out of the reach of children.
- Avoid direct skin contact with toner powder. In the event of skin contact, rinse thoroughly with water.
- Dispose of empty toner cartridges in accordance with local regulations for hazardous waste.
- Only use the product with compatible printers to minimise safety risks.
- Not suitable for children under 3 years of age as small parts may be present. Choking hazard.
- If the toner is spilt, wipe the affected area dry immediately and rinse off any residue with water.
- Use packaging for the safe transport of the product.
- Improper handling can cause the printer to overheat.
- Do not inhale the toner cartridge and seek medical advice if swallowed. Do not put in the mouth.
- Do not store in open flames or high heat, as the cartridge is made of flammable materials.
- Do not leave toner cartridges in direct sunlight.
- Toner cartridges can cause colour stains if handled incorrectly. Avoid inhaling toner powder when changing the cartridge.
- After use, dispose of the empty toner cartridges in an environmentally friendly manner.
