Safety Instructions:

- Keep away from children as small parts may be swallowed or there is a risk of choking on small parts.
- Do not get printer ink in the eyes as irritation may occur.
- In case of contact with skin, rinse immediately with plenty of water.
- To avoid short circuits, do not bring cartridges into contact with water.
- Do not inhale or swallow the ink cartridge.
- Attach safety information to the packaging.
- Dispose of the ink cartridge in accordance with local regulations and suitable disposal methods to avoid environmental risks.
- Keep out of the reach of children, as the ink cartridges contain small parts that may pose a choking hazard.
- Only use in accordance with the manufacturer's instructions to avoid safety and health risks.
- Disposal in accordance with local regulations for electronic and printer products.
- Use of the product may result in damaged print media; therefore, ensure that it is compatible.
