Safety Instructions:

- The boxes are made of sturdy, single-wall corrugated cardboard and should be protected from direct moisture.
- The use of cardboard boxes is not recommended for products containing extremely heavy or sharp objects.
- Take care when transporting and stacking the boxes to prevent them from breaking or collapsing.
- The cartons are not designed for contact with food unless they are labelled accordingly.
- If used incorrectly, cartons may be damaged, which may jeopardise the products packed in them.
