Article Numbers: 164648, 164647, 164646, 164645

Safety Instructions:

- Not suitable for children under 3 years of age as small parts may pose a choking hazard. The product must be kept out of the reach of children and should be used under adult supervision.
- Take care when using water-soluble pens to avoid skin and eye contact. These should not be inhaled or swallowed by children as they can discolour other materials. A sample should be tested before use.
- Do not use in the vicinity of strong magnets or electrical fields to avoid magnetic interference.
- Ensure that the product is not used in the vicinity of electronic devices.
- The product is not suitable for contact with water or other liquids.
- Not suitable for contact with food.
- Before use, ensure that the parts are intact and undamaged.
