Safety Instructions:

- Not suitable for children under 3 years, contains small parts.
- Before installation, ensure that the tap is properly installed to prevent breakage or leakage.
- Be aware of the risk of cuts and crushing when handling the tap.
- Observe recycling instructions to avoid environmental damage.
- Avoid using the tap in extreme temperatures or with aggressive chemicals.
- Read the installation instructions carefully to ensure safe and correct installation.
- Keep the tap away from children and unauthorised persons to prevent improper use.
- Check the seals and connections regularly for possible leaks or signs of wear.
- Only have them installed and maintained by trained personnel.
- Before installation, ensure that the inner container can be released and lifted.
- Avoid use without the appropriate connecting nut.
- Check that the IBC is standing securely during installation.
- Always fit the screw cap tightly to prevent loss of liquid.
