Safety Instructions:

- The product may only be used in accordance with the instructions provided and for the intended purpose.
- Ensure that the table is placed on a stable and level surface to avoid the risk of tipping.
- Do not exceed the maximum load capacity of the table to avoid structural damage or tipping over.
- Children should be kept away from the product to avoid injury. The table is not suitable for children under 3 years of age.
- Use the cable management system properly to prevent tripping hazards.
- Avoid excessive load on the table top to prevent damage.
- Ensure that all parts are securely mounted to prevent instability.
- Avoid using aggressive cleaning agents on the table surface.
- Keep the table away from moisture and direct sunlight to prevent damage.
- Read the installation instructions carefully to ensure correct installation and use.
- Regular inspection of stability and equalising screws required to ensure safety.
- Keep the table away from heat sources to avoid material deformation.
