Safety Instructions:

- Carry out assembly and use in accordance with the instructions to ensure stability.
- Do not use the extension table as a standing desk to avoid injuries caused by instability.
- Regularly check the stability of the table and ensure that the feet are correctly adjusted.
- Keep the table away from hot surfaces and naked flames to avoid damage.
- Avoid overloading the table to prevent it from tipping over or breaking.
- Do not use as a play area for children to avoid falls and injuries.
- Use suitable cleaning agents to care for the melamine resin coating.
- Product is suitable for adults, not for children. Keep out of reach of children.
- Improper assembly can lead to instability and falling over. Mount carefully.
- Avoid sharp objects that could damage the surface.
- Regularly inspect the table top and feet to detect and prevent damage.
- Place on a level and stable surface to prevent tipping over.
- Avoid placing heavy objects on the tabletop to prevent deformation.
- Table not suitable for outdoor use.
- Not suitable for children under 3 years. Choking hazard due to small parts.
- No use of aggressive cleaning agents to avoid surface damage.
- Read the installation instructions carefully before use to avoid the risk of injury.
- Supervise children when handling the table to minimise risks.
- Do not allow the table top to break due to improper handling, be careful.
