Safety Instructions:

- The extension table is suitable for use by adults and should be kept away from children.
- Use of the product is at your own risk.
- Ensure that the table is placed on a stable and level surface to prevent it from tipping over.
- Avoid excessive loads that could exceed the maximum load capacity.
- Regularly inspect the table legs and assemblies for loose parts and check the stability of the fastenings.
- Avoid using sharp objects on the table surface to prevent scratches.
- Clean the table regularly with suitable, non-abrasive cleaning agents to prevent the accumulation of dust and dirt.
- When (dis)assembling the table, follow the manufacturer's instructions exactly and use suitable tools.
- The table is only suitable for indoor use, preferably in office environments.
