### Safety Instructions:

- Observe the maximum load on the table to avoid damage or tipping over.
- Lay cables safely in the cable duct to minimise tripping hazards and electrical hazards.
- Only use suitable cleaning agents to prevent surface damage.
- Ensure that the table is placed on a level and stable surface to avoid the risk of tipping.
- Carry out a safe and proper assembly according to the instructions to ensure stability and avoid injuries.
- Regularly check the stability and retighten screws and levelling bolts to ensure safe use.
- Avoid sharp or heavy objects on the surface to prevent scratches and structural damage.
- Keep liquids away from the tabletop to prevent damage.
- Keep children away from the table as it is not designed as a toy.
- Only use the table indoors and for its intended purpose in order to minimise safety risks.
- When in use, safely integrate all electrical appliances to avoid tripping hazards and fire risks.
- Check all cable bushings regularly to avoid overloading and minimise electrical hazards.
- The product is not suitable for children under 3 years of age due to the risk of choking on small parts.
- Keep the work area free of obstacles to avoid accidents.
