Article Numbers: 96082, 95767, 95766

Safety Instructions:

- Protect the product from improper installation and use.
- Surface-mounted profiles are only to be used for their intended purpose.
- Avoid sharp edges and corners to prevent injuries.
- During assembly, ensure that all parts are properly fastened.
- Keep out of reach of children.
- Avoidance of tripping hazards through proper profile design.
- Only install the profiles in accordance with the manufacturer's instructions.
- Avoid improper handling to prevent the use of force.
- Check the stability and safety of the installed profiles regularly.
- The product is not suitable for use by children without supervision.
- Ensure that the mounting profiles are installed in a stable and professional manner to avoid the risk of them falling over.
- Do not use the products improperly to prevent mechanical or safety-related damage.
- Provide detailed installation instructions and safety information to ensure safe use.
