Safety Instructions:

- Only use flat trays suitable for indoor storage.
- Ensure that hazardous liquids are stored in accordance with the guidelines of the German Water Resources Act (WHG).
- Protect the flat tray from damage and keep it in perfect condition.
- Avoid moving heavy loads in excess of the permissible surface weight of 6500 kg/sqm.
- Follow the instructions for safe use with forklift trucks or pallet trucks to avoid accidents.
- Ensure that the tray is properly assembled and that all parts are securely fastened.
