Article Number: 134479

Safety Instructions:

- Ensure that the flat tray is used in accordance with the requirements of the German Water Resources Act (WHG).
- Use only for authorised flammable and water-polluting liquids of GHS category 1-4.
- Take care when loading and unloading with forklift trucks or pallet trucks so as not to jeopardise the structural integrity.
- Carry out regular inspections for damage and corrosion to ensure the safety of the sump.
- All instructions for assembly and use must be followed in order to minimise risks.
