

Product Safety Information

Truss insert FW 1192-1/2

Manufacturer/Responsible Person: Alpha Paletten & Boxen, Dorfstraße 77, 49849 Wilsum, Deutschland

E-Mail: info@alpha-paletten.de

Please note the technical data of the products!

Article Numbers: 91085, 91084

Safety Instructions:

- Due to the height of the truss insert (62 mm), this product cannot be used as a toy by small children.
- Check all parts for damage before use to avoid injury.
- Do not place the product near heat sources or open flames to prevent deformation.
- For safe handling, instructions for correct installation and use should be given in the manual.
- Keep the product away from children, as small parts can pose a choking hazard.
- Avoid using in combination with wet or damp objects to prevent the risk of slipping.
- Absolute accuracy of fit cannot be guaranteed due to manufacturing tolerances.
