Article Numbers: 230951, 150699, 150697, 150685

Safety Instructions:

- Risk of suffocation due to small parts in case of improper assembly or handling.
- Risk of electric shock due to improper use of electrical components.
- Risk of collision when adjusting the height of the table, especially in confined spaces and in the vicinity of children or pets.
- Overloading the table beyond the permissible weight limits (maximum 80 kg dynamic, 100 kg static).
- Risk of slipping if used incorrectly on uneven floors.
- Risk of falling due to insufficient stability or improper handling.
- Risk of injury due to insufficient stability under high loads.
- Instructions for safe use of the electric height adjustment in accordance with the instructions supplied.
- Warning: Ensure that all parts are present before starting assembly to avoid risks.
- Warning: Keep children and pets away from the table during height adjustment to avoid injury.
- Please note the noise generated by the motor (<55 dB(A)) when the table is adjusted.
