Article Numbers: 192547, 192546, 192545, 192544, 192543, 192542, 192541, 192540

Safety Instructions:

- Ensure that the belt post is properly installed and stabilised to avoid the risk of injury.
- Check the belt posts regularly for damage and replace if necessary.
- Make sure that the belt is not used improperly to avoid injury.
- Do not use the belt post near heat sources or in extreme weather conditions.
- Do not allow improper use of the belt extension system.
- Do not exceed the maximum belt extension length of 2.3 m to ensure proper function.
- Protect the webbing from direct sunlight to avoid material fatigue.
- Always attach and use products securely in accordance with the instructions.
- Not suitable for children under 36 months; may pose a risk of injury.
- Choking hazard due to small parts (e.g. webbing, cassette) - Keep children under 3 years of age away.
- Do not use the product near water to prevent damage or risk of electric shock.
- Ensure that the webbing is properly rolled up and secured to avoid injury.
- Only use the product in accordance with the specifications given in the instructions.
- Regularly check the belt system for damage before use.
