Safety Instructions:

- Take care when handling the belt post to avoid injury.
- Use the belt pull-out system at your own risk; do not pull out more than the recommended belt pull-out length of 2 metres.
- Observe the maximum belt extension length of 2 m to avoid injuries or the risk of tripping.
- Ensure that the belt post is stable to prevent it from tipping or falling over.
- Children should be supervised when using the product, not suitable for children under 3 years of age.
- Choking hazard due to small parts of the 4-way cassette.
- Take care when transporting the heavy product (9 kg) to avoid injury.
- Avoid contact with sharp edges when handling the belt post.
- Warning: Improper use may result in injury.
- Not suitable for children under 3 years, beware of choking hazard due to small parts.
- Use on stable and firm surfaces recommended.
- Do not pull the belt overhead or use it in dangerous places.
- Attach and use the product according to the instructions.
