Article Number: 309090

Safety Instructions:

- Ensure that the material stand is used on a stable, level surface.
- When adjusting the height, ensure that no hand injuries can occur due to trapped body parts.
- Avoid overloading the material stand beyond the specified load capacity of 150 kg.
- Regularly check the stability and condition of the castors to minimise the risk of tipping over.
- Ensure that the product is used out of the reach of children.
