Article Numbers: 193719, 193715

Safety Instructions:

- Protects paper documents for up to 30 minutes at temperatures up to 500° C. Do not expose above the maximum permissible limit of 500° C to avoid fire protection failure. Avoid fire hazard as the cabinet only provides light fire protection.
- Recommended insurance cover for burglary protection up to € 2,500.
- Use and configure the electronic lock in accordance with the operating instructions and manufacturer's instructions. Always lock the key lock securely to prevent unauthorised access.
- Product is heavy (194 kg); additional precautions required during transport.
- Keep a safe distance from heat sources when using the oven.
- Avoid ingress of water or moisture in the event of improper handling, as documents may be damaged.
- Do not overload cabinet doors to ensure mechanical stability.
