Article Numbers: 309085, 309084, 309077, 309076

Safety Instructions:

- Take care when tipping to avoid injury due to incorrect handling or falling over. The use of a tipping container or stacking tipper is recommended for heavy loads.
- Take protective measures against crushing and cutting injuries caused by moving parts, especially during the tilting process.
- Do not exceed the load capacity of the dumper truck (max. 750 kg) to avoid structural damage or accidents.
- Before use, ensure that the wheels are working properly and that the TOTALSTOP mechanism is active.
- Only allow trained personnel to operate the appliance.
- Use protective clothing, such as safety shoes, to avoid injuries caused by sharp edges or heavy loads.
- Ensure sufficiently stable surfaces to prevent tipping over.
- Use suitable safety precautions when emptying the container with a forklift truck.
- Be aware of the risk of suffocation due to improper handling of pourable materials.
- The operating instructions should be read carefully before use.
