Safety Instructions:

- Keep out of the reach of children to avoid the risk of choking on small parts.
- The product should only be used by adults or under adult supervision to avoid the risk of injury.
- Not suitable for children under 3 years of age, as small parts may pose a choking hazard.
- Protect from direct sunlight and high temperatures.
- Avoid contact with eyes and prevent small children from using the pen.
- Do not bring it to your mouth as there is a risk of injury from choking.
- Choking hazard due to small parts that can fall off the mechanical pencil and due to improper use or incorrect disposal of the lead.
- Take care when using near food as the mechanical pencil is not suitable for contact with food.
- The lead could break if handled incorrectly and pose a risk of injury. Only use the mechanical pencil as intended.
- The non-slip soft-touch surface provides additional grip, but safe handling is still required.
