

Product Safety Information

Drum pallet for 2 x 200 l drum

Please note the technical data of the products!

Article Number: 134856

Safety Instructions:

- The drum pallet may only be used in the intended area of application.
- The pallet must be used stably on a level surface to prevent it from tipping and falling over.
- When stacking, ensure that the maximum permissible number of stacks is not exceeded in order to prevent collapse.
- Check the loadability of the pallet before use and ensure that all drums are properly secured.
- The pallet is not suitable for outdoor use unless it has a special coating that guarantees weather resistance.
