Safety Instructions:

- Please ensure that the table is placed on a stable, level surface to prevent it from tipping over.
- Take care when lifting to avoid injury due to incorrect lifting.
- Follow the enclosed instructions and safety information for installation and ensure that all parts are correctly fitted.
- The product is not intended or designed for use by children. Keep children away from unsupervised use to avoid injury.
- To avoid scratches, use on smooth surfaces and keep away from sharp objects.
- Regular inspection of stability and fixings recommended to ensure they are secure.
- Avoid overloading the table to ensure stability and safety. Do not exceed the maximum load capacity of the table to avoid breakage or collapse.
- Avoid exerting excessive pressure or placing heavy objects on the tabletop to prevent damage or deformation.
- Keep the table away from heat sources, water and other liquids to prevent damage to the surface.
- It should be used in accordance with the intended functions in order to avoid injuries.
- Not suitable for outdoor use. Only use it indoors.
- Read the instructions carefully before assembly to avoid assembly errors and to ensure correct assembly.
- During installation, ensure that the installation tools are used correctly to avoid injury.
