Safety Instructions:

- Avoid direct contact with sharp edges and corners when assembling and using the table.
- Ensure safe and correct assembly in accordance with the instructions in order to avoid stability risks and tipping over.
- The table top can be heavy; lift it carefully and use appropriate lifting techniques.
- The table should be placed on a stable, level surface to prevent tipping and instability; check the floor levelling screws regularly.
- Keep the table away from naked flames, strong heat sources and extreme temperatures to prevent damage.
- Do not use any aggressive or abrasive cleaning agents to avoid damaging the surface; keep sharp objects away.
- Regularly check the table for damage or wobbling to ensure safety.
- Do not sit or stand on the tabletop and place heavy objects evenly and not on the edge of the tabletop to prevent it from tipping over.
- Not suitable for children under 3 years of age due to small parts; ensure that the table is not used as play equipment.
- The applicable safety regulations and standards must be observed for use in public facilities.
- Only use the table for its intended purpose and avoid moisture and water damage to the table top.
- Make sure that all anchoring elements are firmly tightened to ensure stability.
