E-Mail: info@phoenixsafe.de

Please note the technical data of the products!

Article Number: 193731

Safety Instructions:

- Must not be stored near open flames or extreme heat sources.
- Do not use for the storage of flammable materials.
- Take care when handling the container; risk of injury when lifting due to the weight (20 kg).
- Only use in combination with the filing cabinets intended for this purpose.
- Read the user instructions carefully and follow them.
