Safety Instructions:

- Ensure that the table is placed on a stable and level surface to avoid the risk of tipping.
- Do not exceed the maximum load capacity of the table to prevent damage and tipping over.
- The table is not suitable for outdoor use; avoid moisture and direct sunlight.
- Keep the table away from naked flames and extreme temperatures to avoid the risk of fire and damage.
- Use suitable, mild cleaning agents to avoid damaging the table surface.
- Ensure correct assembly in accordance with the instructions to ensure stability.
- Regularly check the screw connections and adjust the floor levelling screws to ensure stability.
- Avoid excessive loads and pressure on the table top to prevent damage.
- Supervise children when handling the table to avoid injury.
- Do not use sharp objects on the table surface to avoid scratches.
- During assembly work, tighten all parts firmly to ensure stability.
- Regularly check the table for damage and stability to ensure safety.
