Safety Instructions:

- Choking hazard due to immersion of small parts that could be swallowed. Keep out of the reach of children.
- Fire hazard due to the use of flammable liquids. Use the integrated immersion sieve as a flame arrester and protect yourself from naked flames and sparks.
- Only use suitable cleaning agents. Do not use aggressive or unsuitable cleaning agents.
- Take care when using electrical appliances to avoid the risk of electric shock.
- Follow instructions for safe use and regularly check the condition of the product to avoid safety risks.
- Container should only be used with designated cleaning agents. Check and follow the container labelling.
- Observe safety precautions when handling aggressive cleaning agents.
