### Safety Instructions:

- The table should only be used on stable, level surfaces to prevent it from wobbling or tipping over.
- Set the floor levelling screws correctly and adjust if necessary to ensure a stable standing surface.
- Avoid excessive loads on the table top to prevent damage.
- Use the table in accordance with the intended instructions for use to avoid accidents.
- The product is intended for use by adults or under adult supervision; children should not use it unsupervised or as a climbing frame.
- Protect the product from direct sunlight, moisture and humid environments to prevent material deformation and extend its service life.
- Installation by a qualified person and in accordance with the instructions is recommended to avoid errors and ensure safety.
- Avoid using aggressive or harsh cleaning agents to protect the surface.
- The table is not suitable for outdoor use.
- Make sure that no sharp objects are placed on the surface to avoid scratches.
- Regular inspection of the structure for possible damage is necessary to rule out safety risks.
- The product is not suitable for children under 3 years of age as there is a risk of choking on small parts.
