### Safety Instructions:

- Attention: Maximum load capacity per shelf 40 kg. Avoid overloading.
- The drawer must not be loaded with more than 50 kg.
- Set up safely: The cabinet must be installed on a level and stable surface to prevent it from tipping over.
- Hinged door caution: Take care not to block or overload the doors when opening.
- Warning: Cabinet may have sharp edges and corners. Risk of injury.
- Not suitable for use outdoors or in damp environments.
- Requires assembly to ensure stability: do not put into operation without assembly instructions.
