Safety Instructions:

- Protect the brochure covers from heat, direct sunlight and extreme temperatures to prevent damage or discolouration.
- Keep the brochure sleeves out of the reach of children to minimise the risk of suffocation. Not suitable for children under 3 years of age, choking hazard due to small parts.
- Avoid contact between the brochure pockets and sharp objects to prevent damage or injury.
- The use of the brochure sleeves should correspond to the intended purpose in order to ensure safety.
- Make sure that the brochure covers do not come into contact with chemical substances that could damage the material.
- These brochure covers are not authorised for food contact.
- Keep the brochure covers away from moisture, as they are not suitable for use in damp environments.
