Article Numbers: 403029, 403021

Safety Instructions:

- Secure the shelf to the wall to prevent it from tipping over.
- Do not overload the shelves beyond the maximum permissible load of 50 kg.
- Only use the shelving for its intended purpose in the office, workshop or warehouse.
- Make sure that the shelf is placed on a level surface to ensure stability.
- Take care when adjusting the height of the shelves and ensure that they engage correctly to avoid injury.
- The product must be installed stably and securely in accordance with the manufacturer's instructions.
- Keep the area around the shelf free of obstacles to avoid accidents.
- In the event of an accident caused by the product, inform the relevant authorities immediately.
