Article Numbers: 193538, 193537, 193536, 193535, 193534, 193533, 193532, 193531, 193530

Safety Instructions:

- No fixing to wall or ceiling required. Stable installation prevents tipping over.
- Ensure controlled use in the vicinity of children and elderly people to avoid injury.
- Sound-absorbing materials could trigger allergies; sensitive people should be careful.
- Place the product on a stable, level surface to prevent it from tipping over.
- Avoid direct contact with water, excessive moisture and liquids. Do not use in damp rooms.
- Suitable for indoor use, do not use outdoors or in damp environments.
- Keep away from naked flames, hot surfaces and heat sources to avoid the risk of fire.
- Not designed for use by children; however, ensure safe installation.
- Do not place any heavy objects on the acoustic column to prevent damage.
- Use decorative elements and accessories in accordance with the manufacturer's instructions to avoid injury.
- Do not use acoustic columns as climbing frames or play equipment.
- When using in busy areas, leave enough space to avoid tripping hazards.
- Before use, ensure that all components are correctly assembled.
- Ensure protection against scratches by careful cleaning.
