Article Numbers: 143795, 143794, 143793, 143792

Safety Instructions:

- Make sure that the stool is stable and placed on a stable, level surface to prevent it from tipping over.
- When using several stools, ensure that the connections are correct and stable.
- Do not exceed the maximum load capacity of the stool to avoid injury and structural damage.
- Before use, ensure that there are no damaged parts.
- When using in public and commercial areas, take suitable safety measures for the environment and carry out regular safety checks.
- Not suitable for children under 3 years of age due to choking hazard and for children to use only under supervision to avoid injury.
- Avoid direct contact with water to prevent damage to materials.
- Do not lean on the backrest or armrests to minimise the risk of tipping over.
- Could tip or fall over if used incorrectly, which could lead to injuries from falling.
- Protect from direct sunlight and extreme temperature changes to avoid discolouration and material damage.
- Suitable for indoor use; not intended for outdoor use.
- Include instructions for the safe use and care of the product.
